

# STATE *of the* ARC

SUMMER 2017

## BUILDING SOLUTIONS

### ARC Project Updates

#### **German American Bank, Newburgh**

ARC recently completed the new German American Bank on Bell Oaks Road in Newburgh, Indiana. With more than 4,200 square feet, this branch includes six offices, a break room, a high-end conference room, and an exquisite new teller desk with custom stone columns on both ends. This brand new building also includes a new concrete parking lot, and state-of-the-art three car drive-thru teller lanes with new ITM software for client interactions.

#### **Gibson 4-H Events Center**

ARC Construction is currently building the Gibson County Events Center on the Gibson 4-H Fairgrounds in Princeton, Indiana. This 18,000-square-foot event center, capable of holding up to 1,000 people, will stand alone as the premier location for all large and upscale events in the Princeton area. The facility will include new offices for the Gibson County 4-H Officers, a serving kitchen, three restrooms, storage space, and a canopy. The Events Center will also include a new 32,000-square-foot parking lot to accommodate the ample parking required for the building.

#### **Tecumseh Jr./Sr. High School New Gymnasium**

ARC recently completed the gymnasium addition for Tecumseh Jr/Sr High School. Constructed of brick and block, over 34 feet high, the new space covers more than 10,000 square feet, and includes a 7,600-square-foot gymnasium and 3,100 square feet of weight rooms and locker rooms. The project also includes additional site work to the existing property to help manage traffic and to increase parking.

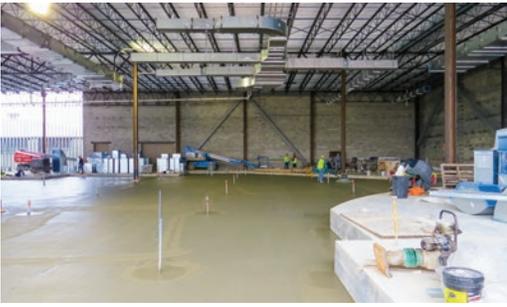

#### **EVCBA Sheriff's Operations Center**

ARC has also been working at the new Sheriff's Operations Center in Evansville, Indiana. This 10,000-square-foot facility will replace the current Sheriff's Command Post. The new building will provide the sheriff's office with a new, expanded laboratory, three interview rooms, temporary holding areas, and locker rooms for the staff. The facility also includes 10 new offices, multiple storage areas, an office bullpen and two conference rooms.

*See more project updates on page 4.*

### Tropicana New Land-Based Casino

ARC is currently performing work for the new Tropicana Land-Based Casino in downtown Evansville, Indiana. This \$50 million project includes construction of a new 78,000-square-foot land-based casino that will connect to the two existing hotels operated by Tropicana. ARC was contracted to supply all the labor and materials for the concrete and masonry portions of the project, which include a wall more than 36 feet tall that spans nearly 200 feet in length. ARC also poured more than 1,800 yards of concrete for this job.

### Heritage Federal Credit Union, Boonville

ARC has been working in Boonville, Indiana on the Heritage Federal Credit Union. This project includes an entire interior renovation of the existing bank as well as an addition of a new three lane drive-thru with ITM assistance. Other completed work in Phase 1 includes newly-relocated teller desks, new offices, restrooms and a break room. Phase 2 work includes a remodel of the back-of-house area with new office space and a rear parking lot for employees. Phase 3 will include an addition to the main entrance of the building that will create larger office space for current employees and a restructured front vestibule area for customers.

## Congratulations to ARC's Retirees

The entire ARC family would like to congratulate **Mike Porter** on his retirement from ARC Construction. Mike has worked with ARC for more than 30 years as a Superintendent. Joining the ARC team in 1987, Mike brought with him 12 years of previous construction experience.

Mike has been an exceptional craftsman as well as a tremendous leader, an incredible employee and friend to the company and our entire community for the last 30 years. We wish Mike and his family all the best with his retirement.

The ARC family would also like to congratulate **Linda Ritter** on her retirement. Linda has been a project coordinator with ARC for more than 18 years. Linda's positive attitude and never-ending smile will be greatly missed throughout the office. Her passion, drive, and attention to detail made her such a valued member of the ARC team. Most important, her kindness and generosity will be sorely missed at ARC Construction.

### *Thinking about renovating or building a new facility?*

Call us with any questions you might have to help design or construct the building to meet your specific needs.
